ABOUT US

Triveni Institute of Dental Science, Hospital and Research Centre was established in the year 2008. Approved by the Dental Council of India & Ministry of Health & Family Welfare, Government of India. The college has a vast inflow of patients; they come from all the surrounding areas of Bilaspur for the best treatment options. This extensive patient base helps in creating a clinical tool for the students and the interns for practical on patient training. Along with all this, the college has an ultra-modern gymnasium, Volley Ball court, Badminton court, indoor games like table tennis, carrom, to name a few. Best Dental College. Top Dental College. BDS Admission Open 2025.
